A Message from Mayor Annette Iafallo ... Bulk Trash Pickup and Covid-19 Reminders

As a reminder, bulk trash pickup and electronics drop off schedules remain ON HOLD until further notice due to workforce reductions mandated by NYS during the Covid-19 pandemic.

– This includes for April, cancellation of one bulk item pickup (scheduled for April 6-10) and tree/branch collection.

– This information was posted to this Facebook page and the City web site on April 1 – along with information regarding regular trash and recycle pickup schedules through April 30.

If you placed a bulk trash item at the curb, it MUST be removed as soon as possible and stored until pickup resumes. It CAN NOT stay at the curb.

Lastly, as confirmed Covid-19 cases continue to climb across Erie County and Lackawanna (at present, 1,059 and 10, respectively) please remember to follow all precautions regarding hand washing, social distancing and staying home unless absolutely necessary.

– If you or anyone in your household show symptoms of Covid-19 please contact your primary doctor or go to an urgent care center for further instructions.

– Anyone who may be symptomatic is reminded to advise 911 police/fire dispatchers of your condition when placing calls for assistance.

Stay Home. Stay Safe. And, God Bless.

Annette
